## EMAT Accessibility Policy

### 1. Introduction

Under the Equality Act 2010 all schools should have an Accessibility Plan. The purpose of this plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum.
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided.
- Improve the availability of accessible information to pupils with disabilities.

East Midlands Academy Trust believe in providing every opportunity to develop pupils, young people and adult's full potential. All our pupils, staff and visitors should feel valued, cared for, listened to and encouraged to challenge themselves to be the best they can. It is our aim to reduce and eliminate barriers to the curriculum, fuller aspects of academy life and the academy environment for pupils and prospective pupils, staff, parents and visitors with a disability.

We believe this policy should be a working document that is fit for purpose, represents the trust ethos, enables consistency and quality across the schools and is related to the following legislation:

- SEN and Disability Act 2001 (SENDA)
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work with and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We believe that we work hard to ensure that the culture and ethos of this trust are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and treat one another with respect. Each school provides pupils with the opportunity to experience, understand and value diversity.

We all have a responsibility to ensure equality permeates into all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

## 2. Definitions of disability

According to the Equality Act 2010 a person has a disability if he or she has a physical or mental impairment that is:

- Substantial
- Long term
- Has an adverse effect on his or her ability to carry out normal everyday activities.

We have a duty to promote equality of opportunity, eliminate unlawful discrimination, eliminate disability related harassment, promote positive attitudes towards disabled people and encourage disabled people to participate in school life.

In accordance with good practice guidelines, we strive to increase accessibility in three main areas:

### **The Physical Environment**

We aim to improve and maintain access to the physical environment of each school in the trust, adding specialist facilities as necessary – this covers improvements to the physical environment of the schools and physical aids to access education within a reasonable timeframe.

### **Availability of information**

We aim to improve the availability of accessible information to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, newsletters, timetables, textbooks and information about the schools and school events; the information should be made available in various preferred formats within a reasonable timeframe.

### **The Curriculum**

We aim to increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of their duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or schools visits – it also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe.

The following policy documents are relevant to the general issue of accessibility.

- Admissions Policy
- SEND Policy
- Equality Policy
- Behaviour Policy
- Health & Safety Policy

### 3. Aims

- To ensure that all school personnel with disabilities are treated fairly in regard to recruitment, performance management, promotion, staff development, teaching environment and access to the school premises.
- To reduce and eliminate barriers to access the curriculum and to have full participation in the school community for pupils, prospective pupils and our adult users with a disability.
- To ensure compliance with all relevant legislation connected to this policy.
- To work with other schools and the local authority to share good practice in order to improve this policy

It is a requirement that each academy's Accessibility Plan is resourced, implemented and reviewed and revised as necessary. Each school in the Trust will draw up an Action Plan showing how the school will address priorities identified in the plan. This plan would incorporate the school's intention to increase access to education for disabled pupils.

The Head of each Academy is responsible for the management and implementation of their respective Accessibility Plan. They will work in conjunction with the Health and Safety Officer, Site Manager and Senior Leadership Team at their Academy in order to co-ordinate resources.

### 4. Monitoring the Implementation and Effectiveness of the Policy

The practical application of this policy will be reviewed every three years by the Trust Board but may be reviewed and updated more frequently if necessary. It will be reviewed by the Executive Headteacher / Headteacher / Head of School and the Local Advisory Board (LAB).

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Trust Board for further discussion and endorsement.
