East Midlands Academy Trust Admissions Policy 2024-2025

Introduction

As the admission authority for our academies, East Midlands Academy Trust is responsible for the admission arrangements. The policy for the Trust is to follow the relevant local authorities' coordinated admission scheme:

- Orchard and Shepherdswell: **Milton Keynes Local Authority**
- Northampton International Academy, Hardingstone Academy, Castle Academy, Stimpson Avenue Academy: **West Northamptonshire Council**
- Prince William School: **North Northamptonshire Council**

Definitions

Looked after children

A "looked after child" is a child who, at the time of making an application to a school, is:

In the care of a local authority, or

being provided with accommodation by a local authority in exercise of its social services functions (see the definition in Section 22(1) of the Children Act 1989)

Previously looked after children

Previously looked after children are children who were looked after, but ceased to be so because they:

were adopted under the Adoption Act 1976 (see Section 12 adoption orders) or the Adoption and Children Act 2002 (see Section 46 adoption orders), or

became subject to a child arrangements order (as defined in Section 8 of the Children Act 1989 and as amended by Section 12 of the Children and Families Act 2014), or

became subject to a special guardianship order (see Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)).

This includes children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Siblings:

A sibling is defined as a child's brother or sister. A sibling must be living at the same permanent address and as part of the same family unit (one or two parents plus children) to qualify under this criterion.

For School Admissions purposes, the term sibling includes:

- half-brothers and half-sisters
- step-brothers and step-sisters
- adopted children
- children in foster care
- children living in the same family unit, even if they are not biological brothers and sisters – for example when the parents are not married/in a civil relationship.

Cousins are not regarded as siblings.

Home Address (Child's):

The child's home address is defined as the address at which the child normally resides with their parent/carer at the time of application. If a child lives with parents who are separated, the home address will be treated as the place where the child sleeps for most of the school week (i.e. Sunday night – Thursday night inclusive).

If the child spends equal amounts of time at two addresses, the parents must agree which address they wish to be the child's main address before we can process the application.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Children below Compulsory School Age

When children below compulsory school age are offered a place at the school, they will be entitled to attend the school full-time in the September following their fourth birthday.

Parents/carers may defer their child's entry to the allocated school until later in the school year but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year for which the offer was made when the place will cease to be available for the child. Please discuss this with the school directly once a place has been offered.

Where parents/carers wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age. Please discuss this with the school directly once you have received an offer of a school place.

Requests for Admission to Reception out of the normal age group (Summer Born children)

All children are entitled to a full-time school place in the September following their 4th birthday and most parents are happy for their child to start school at this point. However, parents/carers of summer born children (those born between 1st April and 31st August) who do not reach compulsory school age until a full year after they would normally start school, may wish to delay their child's start to school until the September following the child's 5th birthday.

If parents wish to delay their summer born child's school start until the September following their 5th birthday, there are 2 options:

1. Parents can make an in-year application for a place for the September following their child's 5th birthday. The child would normally start school in **Year 1** (their correct chronological age group) as other children in the child's age group already attending school will be moving from Reception to Year 1 at this point. It is important to remember that some schools are likely to be full in Year 1 and unable to offer a place;
2. If parents do not want their child to miss their Reception year, they may request that children are admitted out of their normal age group i.e. into Reception instead of Year 1. Please note, this is a 'request' and parents do not have the right to insist that their child is admitted to a particular age group. The school's admission authority is responsible for making the decision about which year group a child should be admitted to.

Parents/carers of summer born children who wish to delay their child's school start and apply for a Reception place to start in September following their 5th birthday, should still make their application for a Reception place for their child's normal year of entry before the primary application deadline **on 15th January**. If a delay is agreed, this application can be withdrawn;

Parent/carers should also, if possible, make their request for admission out of the normal age group to their preferred schools by the same date - **15th January**. This is to enable sufficient time for requests to be processed prior to National Offer Day (16th April or the next working day). Requests will however still be considered after this date.

Parents/carers wanting to request that they be able to apply for a Reception place for the September following their child's 5th birthday, should write to the school in the first instance. In their request, parents/carers should provide some information about their child to explain why they think that their child should be educated out of their normal age group. It is important for parents/carers to provide any additional evidence to support their request as this information will help the admission authority to make their decision e.g. parents/carers may be able to provide a report from the child's Early Years setting or evidence from a health or social care professional.

The request will then be considered by the admission authority who will then make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. The School Admissions Code (2021) requires admission authorities to consider a number of factors:

- the parent's/carer's views;
- information about the child's academic, social and emotional development;
- where relevant, the child's medical history and the views of a medical professional;
- whether the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the Head teacher's views.

What happens next?

Parents/carers will be informed of the admission authority's decision on the year group the child should be admitted to when they start school (i.e. Reception or Year 1) and will set out clearly the reasons for their decision.

What happens if the request is approved?

If the request to be admitted outside normal age group is **approved** by the admission authority of the school, parents/carers will need to forward this approval to the relevant Local Authority School Admissions so an application can be accepted in the normal admission round for the September following the child's 5th birthday. Parent(s)/carer(s) will then need to make an application for a place in Reception for the normal round of admissions in the following academic year.

Please note – this does not mean a child has been, or will be, offered a place in the Reception year at their chosen school. If, in this following normal admission round, the school is oversubscribed, all applications (including delayed applications) for the school will be ranked in accordance with the school's oversubscription admission criteria.

What happens if the request is refused?

If the request to be admitted outside normal age group is **rejected** by the admission authority of the school, parents/carers have to decide whether to accept a Reception place in the normal year of entry, delay their child's start until the September after their 5th birthday and apply for a Year 1 place or make an application to other schools to see if they will accept a delayed start in Reception.

Parents/carers who are unhappy with the admission authority's decision to refuse their child a place out of their normal age group, should complain directly to the admission authority. Parents/carers whose requests for delayed entry into Reception are refused, do not have the right to appeal this decision. They have the right to appeal against the refusal of a place at a school for which they have applied but this right does not apply if they are offered a place at the school, but it is not in their preferred age group.

General requests for admission out of the normal age group

Parents/carers may seek a place for their child out of their normal age group. They must put their request in writing to the school.

The Admission Authority of the school will consider the request and make a decision on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of:

- the parent's/carer's views;
- information about the child's academic, social and emotional development;
- where relevant, the child's medical history and the views of a medical professional;
- whether the child has previously been educated out of their normal age group;
- whether the child may naturally have fallen into a lower age group if it were not for being born prematurely;
- the views of the Headteacher of the school concerned.

The Admission Authority of the school **MUST** set out clearly for parents the reasons for their decision about the year group a child should be admitted to.

Parents/carers do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

How to apply for a place in the Normal Admissions Round

The **normal admissions round** is the period during which parents/carers can apply for state-funded school places at the school's normal point of entry (Reception for Primary and all-through schools, Year 3 for junior schools and Year 7 for secondary schools, using the Common Application Form (CAF) provided by their home local authority.

Parents/carers should use the application form provided by their home local authority (regardless of which local authority the schools are in). This form is used to express a preference for a minimum of 3 state-funded schools, in rank order.

Parents/carers will receive an offer for a school place directly from their local authority on National Offer Day. **For Primary will be 16th April or the next working day and for Secondary will be 1st March or the next working day.**

If you live in the North Northamptonshire Council area, you should apply through NNC:

- [School admissions | North Northamptonshire Council \(northnorthants.gov.uk\)](https://www.northnorthants.gov.uk/school-admissions)

If you live in the West Northamptonshire Council area, you should apply through WNC:

- [School Admissions | West Northamptonshire Council \(westnorthants.gov.uk\)](https://www.westnorthants.gov.uk/school-admissions)

Late Applications

Late applications are any common application forms (for the normal point of entry) received by a local authority after the statutory closing date of 31st October for Secondary and 15th January for Primary. Late applicants will not receive an offer of a school place by the local authority on National Offer Day (1st March or the next working day for Secondary and 16th April or the next working day for Primary).

Late applications will be processed in the subsequent rounds of allocations between April and July (for more details, refer to the local authority's timescales on their website).

In-year Admissions

An in-year admission refers to an application for a school place made during the school year or an application for admission to a school made at the start of the school year for any year group other than the normal year of entry.

The PAN only refers to the year of entry (i.e. Reception or Year 7) you cannot refer to it for other year groups. The only reason you can refuse admission for an in-year application (other than for a Reception/Year 7 place) is because the admission of another child would prejudice the education of those already on roll. Can I suggest you change this to:

"If it is not possible to offer a place, parents/carer's can ask for their child's name to be added to the waiting list and they have the right to appeal against the decision not to offer a place (see section on Appeals)"

Applications for in-year admissions should be made online to the school's local authority on the local authority website.

Waiting Lists

Following an unsuccessful application, parents/carers can request that their child's name be placed on the waiting list. Waiting lists are held for all year groups by the school's local authority

Waiting lists will be cleared at the end of each school term. If you wish your child's name to remain on the waiting list for the remainder of the academic year, you will need to inform the School Admissions team, in writing, by the start of each subsequent term (ie: during the Christmas and Easter breaks) to renew your interest

When a place becomes available it will be allocated to the child at the top of the waiting list. The waiting list is ranked in accordance with the oversubscription admission criteria for the school. Priority will not be given to children on the basis that they have been on the waiting list the longest and children being allocated places under the Fair Access Protocol will be given priority. A new application will be required for a new academic year.

Appeals

If a parent/carer's application for a place at the school is unsuccessful, they will be informed by the Local Authority why admission was refused and have the right of appeal against the decision not to offer their child a place at the school.

EMAT admissions appeals across all our schools are coordinated by **Warwickshire School Admission Team**. Please talk to the admissions service if you have been refused a place at the school you prefer. You can visit <https://www.warwickshire.gov.uk/school-admissions-appeals/appeal-outcome-school-placement> to obtain more information about the appeal process.

Parents/carers wishing to appeal should contact the admissions service directly to obtain the necessary forms and guidance:

- By phone **0845 155 1793**
- By email schoolappeals@warwickshire.gov.uk.

Multiple Birth Groups

In the case of twins or other siblings from a multiple birth, if the last child to be admitted is from a multiple birth group, the other children in the group will also be offered places, even if it means exceeding the Published Admission number.

In the case of siblings (see definition above) in the same year group, where there is only one place remaining which is to be offered to one sibling, the other too will be offered a place.

Fraudulent or Misleading Applications

The admissions authority (or the LA processing an application on behalf of the admission authority) has the right to investigate any concerns we may have about an application and to withdraw the offer of a place if it is considered that there is evidence that an applicant has made a fraudulent claim or provided misleading information.

Conflicting Applications

The LA can only process one application. Where more than one adult shares parental responsibility and if the adults live at different addresses, it is important that an agreement be reached on which schools to apply for, prior to making the application.

If multiple applications are received for the same child with conflicting address and/or preferences, or the School Admissions Team is made aware of a dispute between two parents, all applications will be placed on hold and will **not** be processed until:

- a new single application is made, signed by all parties; or
- written agreement is provided from both parents indicating which application they have agreed on; or
- a court order is provided confirming which parent's application carries precedence.

If no agreement can be made, parents are recommended to seek legal advice. If an agreement cannot be reached before the closing date, this may affect the chances of your child being allocated a place at your preferred school/s.
